

Junior First Week Tutorial Form

Each student receives a tutorial early in their first week. This is conducted by their before-coffee class teacher. You are to spend a few minutes out-of-class and one-to-one with the student.

It is important to give due consideration to the welfare of juniors.

Please allow your tutorial to be shaped by the questions below. Please also make a comment in each box or just 'tick' to indicate that all is well and no comment is necessary. Please keep the completed form in the Class Folder and to-hand. Let Chris know if you have any particular concerns.
